HELLO !

Hello! My name is Audrey and I am the principal designer at Little Red Fox Designs, where I have been designing greeting cards for children and grown-ups since 2013. I am inspired by the beauty of Creation, and many of my designs reflect an interest in the natural world. A number of my cards have a text from the Holy Bible included in the design, to encourage, inspire, and bless the receiver.

When you choose any of my fun, whimsical greeting cards, you are buying a unique local product produced in very small batches, which has been designed, printed, and packaged with care in Geneva, Switzerland. All cards are A6 size and printed on sustainably sourced cardstock. Each one comes packaged in a clear plastic sleeve with a high-quality, color-coordinated and self-adhesive envelope. Cards are blank inside for a personal message.

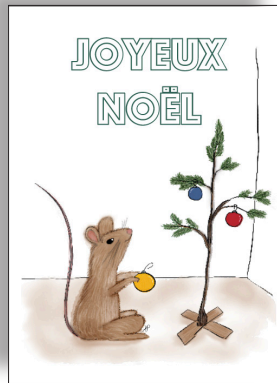

I have included ten new designs in this collection for Fall | Winter 2019. These are indicated by  .

I hope you'll find something you like within these pages. As always, if you have any particular questions, or to place an order, please call or write to me. I would love to hear from you.
